3. Open Forum. Senator Bajor commented on the current student population who chose to give up their status and let Ferris serve in loco parentis. He also noticed that the success of certain programs have been diminished and is not recognized. Senator Gray asked why the International Education item was removed from the agenda. President Thapa noted that it was not approved for the agenda because of outstanding questions. Senator Alsopch noted the executive committee split on its decision. Senator Alsopch also asked about the number of students at Music Take Action to student government and noticed how that policy allowed that group to get much greater funding.

4. Officer Reports/ President Report
   President Thapa thanked the senators who have worked with him over the years of his presidency. He has worked to improve academic standards and 3 new programs were introduced. He also took a moment to thank Administrative Assistant Paula Hadley for her service and wish her well for retirement.

   Vice-President Bacon asked the Student Life Committee to give a brief report. They discussed the progress of the North Hall which will be opening in the fall.

   Secretary Isler noted that the motion to reconsider AFR recommendations for Accountancy had been removed from the agenda by the initiator. The motion to create a NSSE Task Force/Committee proposal had also been removed because of the initiator’s absence from the meeting.

5. Committee Reports
   UCC Chair Kemi Fadayomi was absent and UCC member Mark VanLent asked if there were any comments on the written report included with the packet. There were none.

   Senator Drake presented the election results and noted an election was in process for the open seat in Optometry.

   General Education Coordinator Cliff Franklund said continues to work on the committees and making sure all information is on the website. There will be training for all faculty at Welcome Back Week. He welcomed Senator Kristen Conley to the committee.

   The Student Government President was absent.

6a Faculty Qualifications and HLC.
   Vice-Provost Robbie Teahan discussed the updates in HLC faculty qualifications. All faculty must be qualified by fall 2017, not just in their discipline but also individually by course. It is up to local institutions to determine at a program level what expertise is. There are still unresolved issues regarding dual enrollment and certain Kendall programs. For those not qualified, they must have a final degree completion plan in the
works. Senator Balanda asked that if they opted for a tested experience credential, if they would be able to repost the job another time for a higher degree. Teahan suggested making that qualification a preferred, as it may be hard to argue in the required category. Senator Baran asked if this applied to clinical pharmacy/optometry faculty. Teahan responded in applies to anyone in an instructional capacity.

6b HLC Quality Initiatives
Jennifer Hegenhauer, the project manager for the HLC Quality Initiatives, introduced herself to the senate. She noted that the initiatives were approved in February 2017 and are part of our 10 year pathway. The focus is centers of academic literacies (retention, learning). There are currently 33 projects underway.

7 ISI Cybersecurity Certificate
[This motion was postponed at the previous meeting.] Coordinator Emenick was present to discuss the use of the word ethics within the computer profession. Senator Epps asked if this program focused on legal vulnerabilities in a system. Senator Gray brought up the fact that ethics has a totally different meaning within philosophy. Emenick noted this was professional term that is a standard in the industry. It is not a n ethics curriculum but one which is based on practicality. Senator Lewis asked why not then use another name. Emenick responded that this is the industry term. Senator Todd asked for definition of cybersecurity. Emenick responded in includes information assurance and information security and is used in digital forensics. The motion passed 84% to 13% with 3% abstaining.

8a Doctor of Pharmacy Curriculum Revision
Senator VanLent moved to approve the curriculum revision for Doctor of Pharmacy. Senator Lewis seconded. Senator Baran asked if this revision would assist in decreasing the faculty-student ratio. Pharmacy Dean Steve Durst noted that the faculty requirements have been discussed with the Board of Trustees and are being addressed in the next year. Motion passed 73% to 13% with 3% abstaining.

8b New Degree- Certificate in Forensic Accounting
Senator VanLent moved to approve the new degree. Senator Zyla seconded. Motion passed 90% to 10%.

There was recognition of the Mens Basketball Team, Mens Football Team and Womens Basketball Team for their successful seasons.

President Eisler added his thanks to Paula Hadley and thanked the Senate for all their efforts.
