Announcements

Bob Krueger

Bob gave a summary of a meeting he had with the coaches held in late September. He noticed that the athletic department needs some facilities improvement such as chairs, tables etc. He went on to introduce the committee to the coaches and mentioned that we are gathering CV's of interested parties.

Some coaches mentioned that they are still having problems with a limited number of faculty regarding excused absences for athletes that are traveling. Ron agreed to talk with a Public Relations student to write up an educational piece for faculty that highlights athlete's accomplishments such as their high GPA and academic awards won.

Committee might take a look at the absence policy that was submitted to the Senate two years ago, but has been lost in the Senate somewhere.

Tom Kirinovic

Tom distributed the latest draft of the "Athletic Plan" to members of the committee. He encouraged all to read and be prepared to discuss at the November meeting.

The next sports luncheon will be on Oct. 20 at the Wheeler Pavilion

There being no further business, the committee **adjourned** at

11:50

Respectfully submitted

David Scott
